

# Warranty Card

The warranty initialization date is equivalent to its manufacturing date from Afidus Co., Ltd. (as verified by MFG Date sticker on products) and 12 months warranty period. Please contact your Afidus Time Lapse Camera distributor to get warranty service.

Products shall mean Afidus Time Lapse Camera.

## Terms and Conditions :

- 1.Afidus Co., Ltd. Products are warranted to be free from defects in material and workmanship under normal use within the warranty period. However, upon the product warranty seal broken, the Products are not in warranty coverage.
- 2.Only the Products sold through Afidus Authorized Distributors are covered in the warranty agreement.
- 3.Afidus sole liability is limited to either repair of the defectives using new or refurbished parts, or replacement of the defective unit.
- 4.If the Product is within warranty and it was found to be defective under normal use, the examination fee will be fully waived; furthermore, the device will be repaired and returned back to the customer.
- 5.The repaired or replaced hardware will be warranted for extra ninety (90) days.
- 6.Push the mSD cover closely or you will lose product warranty protection.

## Appendix:

In repairing procedure, Afidus may change the front casing and remove "original glass lens cover" on old front casing.

Mostly the original glass lens cover can not be re-use, please users order new lens cover from your distributor.
