*please remove lens protection film

Weather Proof

IPX5 weather proof design, time lapse anytime and anywhere. Silicone sleeve accessory provides complete weather proof against water damage.

Image Alignment

Exclusive feature in Afidus APP enables you to have the same image composition after relocating your camera or changing batteries.

Audio Recording

ATL-800 built in microphone for audio recording. In continue mode, the ATL-800 can put anywhere to record the video and audio without any cable legacy.

Microphone

Battery Pack Selector

To extend the time lapse recording hours, you can connect to your own battery pack. Afidus gives you different options to enable the best recording duration.
